Dear Tim,

Given the developments that occurred since this past Friday, I would like to, if possible, withdraw my letter of resignation of the position of Director of Parks & Recreation for Habersham County.

It was with reluctance that I had submitted that resignation. I feel that while we've accomplished much in these past six months, there is much work yet to do. I would be proud to serve my community during this interim period and even beyond that.

I will await word from you if you are interested in having me come back. Thanks.

Sincerely,

Terry Lannon
